Dear Parent,  
Greetings.

I am pleased to inform you that we are going to initiate Gavel Club in the school from this term. The best way to achieve confidence is by being proficient in public speaking. It helps in increasing 70% of one's confidence. The Gavel club is the children's wing of Toastmasters International which is a nonprofit organization. Through this club, students will be trained to overcome nervousness when speaking before an audience. It will help them to organize and present their ideas logically and convincingly while listening carefully to others' ideas. It also aids them in participating and leading group discussions or meetings and offering advice to help others in improving their speaking and leadership skills. We believe that communication skill is verbal but nonverbal communication is more important in enhancing the confidence. Many of us are not successful as we lack the skill of nonverbal communication.

Those who are willing to join the Gavel Club kindly fill in the acknowledgement form given below and submit it to your class teacher on or before 16/05/2019.

Regards

Dr.V.Binumon  
Principal
