Principal Incharge's Message

Glimpses of Super Kid 2016

My dear children,

In this final edition of Petals 2015-2016, I extend my best wishes to each one of you for crossing yet another milestone in your academic growth. The focus of ICSK Junior is good things do not end, they make a new beginning, so my sincere advise to all of you is to remain motivated with greater zeal and enthusiasm.

My message to each one of you is remain committed with integrity and wisdom as they are the two pillars to help you move forward. Success in all that you do is with a lot of preparation, so put in time and effort to win. Understand the truth that sacrifice and self discipline are the tools to success. The journey towards being the best is not without hurdles. With persistence winners have the ability to overcome hurdles. Enjoy your new rewarding school year with effect from 3rd April 2016.

Children all of you are taught the values of respect, responsibility, fairness resilience and persistence. We work together

as a union of parents, teachers and students to focus on improving our teaching practice and student learning.

God bless and experience great things with newer endeavour.

Junior Spell Bee

It is a proud moment for ICSK Junior as Master Aaron James Varghese of class III brought laurels to school. On Saturday 6th of February, Bharatiya Vidya Bhavan School in Kuwait the host of GCC Spell Bee Championship conducted the last of the three rounds of competition. He surpassed three spectacular rounds of dictation, transcription and rapid fire. Aaron proudly represented Kuwait in the final level of GCC spell bee championship and secured fourth position in the final round.

Vice Principal's Message

Dear students, I extend a hearty welcome to the last edition of Petals quarterly magazine 2015-2016. Children understand the fact that to remain good human beings, good manners are an essential prerequisite for success of stu-

dents. As students of ICSK Junior, infuse desirable qualities of social skills. Love and respect your school and teachers. In your formative years imbibe the values of caring and sharing. Inspired by the motto 'always aim high' students you have reached greater heights of glory. All of you come to school with great hope and vision and achieve your dreams. Our aim has always been to bring out the best in the students and make them good citizens of our motherland. We try to impart in

the students the academic excellence, a sense of duty, discipline and above all moral and humanitarian values which are a need of the time. The school appreciates the support and cooperation of parents to help children to move in the right direction. We want our students to be emotionally strong, mentally balanced and physically fit. I wish and pray that our children grow up with noble qualities and climb the ladders of success in the days to come.

TWO LITTLE PARROTS

Two little parrots,
 Sitting in a cage.
 How sweet they are,
 Oh! Pretty as we know.
 They look so charming
 So cute and soft.
 Green and yellow,
 With red sharp beaks.
 Flying on trees,
 Bringing up twigs.
 To make a lovely nest,
 So smart you are.

HINDI DIWAS -18th JAN 2016

Hindi Diwas was celebrated with immense enthusiasm. Stressing India's respect for the national language, the school choir rendered a melodious song 'Hindi Bhasha Rashtra Ki Bhasha'. Vice Principal Mrs. Murthy in her address in Hindi, told children that in this modern world, while it is important to move with times, it is equally important to remember our roots, to be proud of our National Language.

REPUBLIC DAY

67th Republic Day, the National festival of India, was marked by grand celebration with numerous activities and special assemblies in ICSK Junior,

With pride and dignity Principal and Vice-Principal hoisted the national flag. The Indian National Anthem was played and the Pledge was taken in perfect harmony by all. Patriotic songs in chorus paid tribute to India's glorious freedom struggle. The most striking feature of the students clad in the colours of the Indian flag, unfurling the flag

opening to the wind, singing patriotic songs and celebrating this momentous occasion was enigmatic. Our most respected Principal Mrs. Sherly Dennis in her address wished the students and under her wise leadership made them understand the true meaning of patriotism towards our nation.

SUPER KID AWARDS – 4th FEB 2016

The **Chief Guest** for the occasion present was Dr. Raj Raghupathy *Professor of Immunology at the Faculty of Medicine, Kuwait University.* Honorary Secretary to the Board of Trustees of the ICSK Mr. Vijay Karayil graced the ceremony. The Super Kids were adorned with crowns, sashes and mementoes along with certificates. To add

colour and variety to the ceremony some of our blooming

buds were given a platform to showcase their talent .

INCREDIBLE INDIA

On Monday 8th of February 2016 students of grade I E and III E, F & G conducted a meaningful assembly on Incredible India. This was to enable students to ponder over the rich heritage of India. Understand the enigma and charm of India that has caught the imagination of endless number of poets, thinkers, scientists, and philosophers. Participants amazed the audience with a power packed melodious song in praise of INDIA.

ASSEMBLY- MORAL VALUES

On Tuesday 9th February 2016, students of class IV E and D presented a meaningful assembly on moral values. The objective of achieving students' aspiration in primary school was portrayed well through a meaningful song in perfect harmony, a skit with a neat comparison of good and not so good values.

PEOPLE'S PRESIDENT– DR. KALAM

AVUL PAKIR JAINULABDEEN ABDUL KALAM

DR. APJ ABDUL KALAM, a scientist and India's 11th president, was born on 15th October 1931 in Rameshwaram TamilNadu. He came from a humble background and started working at an early age. DR. ABDUL KALAM is popularly known as the "MISSILE MAN OF INDIA" for his work on the development of ballistic missile and launch vehicle technology.

DR. KALAM was elected the president of INDIA in 2002. During his term, he was affectionately known as the people's president. He was HONOURED with country's three highest civilian HONOURS – PADMA BHUSHAN – [1981], PADMA VISBHUSHAN – [1990] and BHARAT RATNA – [1991]. He has also written many books. DR. KALAM had his last breath while giving lecture at IIM, MEGHALAYA on 27th JULY 2015. He may not be present physically but his work will always be remembered. Listed below are some of his famous quotes:-

- “Dream is not that which you see while sleeping it is something that does not let you sleep.”
- “Thinking should become your capital asset, no matter whatever ups and downs you come across in your life.”
- “All of us do not have equal talent. But, all of us have an equal opportunity to develop our talents.”
- “Education gives you wings to fly. Achievement comes out of fire in our subconscious mind that ‘I will win’.”
- “Failure will never overtake me if my definition to succeed is strong enough.”
- “It is very easy to defeat someone, but it is very hard to win someone.”

BirthDay !

I woke up in the morning that day,
I looked up in the sky and said, 'today is
my birthday'

Thinking of what I'd get for a gift,
Thinking how heavy a gift would be to
lift,

The time came when my party had come,

So many gifts came,

I needed to do a math sum!

It came like a flood,

I was so HAPPY, I turned red and almost
saw my blood!

I loved that Day,

Because that day was my Birthday!

NURSERY SPORTS DAY

Sports are an integral part of every student's life giving an opportunity to little ones some time off class room environment. In a tradition reminiscent of the Olympic spirit of sportsmanship, the Kindergarten Annual Athletic Meet took off with a brilliant coordinated display by students, bringing us the message of universal brotherhood. The competitive events commenced which included track race and obstacle race. The students participated in them wholeheartedly. Principal Mrs. Sherly Dennis and Vice Principal Mrs. Gomathy Murthy, the chief guests for the calendar event; honored the winners of the various races and awarded them with medals and certificates. In addition to this they extended their gratitude to the teachers working in complete unison and harmony.

NATIONAL DAY AND LIBERATION DAY

ICSK Junior kicked off a month-long celebration of 54th Kuwait National Day and 24th Liberation Day with a series of activities that included bulletin board decoration with special messages, significant assemblies, CCA competitions and special day for the Pre-Primary section. Students decorated and adorned the stage and rendered inspirational speeches. With the use of handmade placards, students portrayed the history of Kuwait. To add colour to the assemblies, both boys and girls attired in national costumes danced with grace and splendor. 'LONG LIVE KUWAIT' was the core message conveyed with splendour and much gaiety. The finale of the month long celebration was on Wednesday 24th of February with tiny tots from the Pre-Primary section rejoicing the special day attired and adorned in colors of the Kuwait National Flag and matching accessories.

Animal Cruelty

"If you pick up a starving dog and make him prosperous he will not bite you. This is the principal difference between a dog and man."
- Mark Twain

Imagine if you were beaten for no reason, weren't given food or forced to live in a cage.

This is how many animals are treated. Nobody should do this to other animals, and it must be stopped. People should be kind to animals because they too have feelings. Civilization used to believe that animals were sacred and respected them. Scientists have used

animals for research. The animals get low amounts of food and are forced to go through painful experiments. Animals need help. No animals deserve such treatment because animals also have rights.

3-D Printers

What is a 3D printer?

3D printer is a machine which can create objects printed in 3 dimensions. It is also known as desktop manufacturing device. We can build real 3D objects from a 3D design or scanned object. The 3D printer then prints the object layer by layer to create the real object.

The history of 3D printer

In 1984 - **Charles Hull** developed the technology for printing physical 3D objects from digital data. In 2001 - The first desktop 3D printer was made by Solidimension. In 2008 - The first 3D artificial leg was produced. The first 3D printed car was made in 2011.

3D printer applications

Today, **Doctors** can produce **models** of parts of patient's body which can be used e.g. legs, hand. Nowadays almost everything from aircraft parts to toys are getting built with the help of 3D printers. 3D printing is also used for jewelry and art, architecture, fashion design, interior design. In world of 3D printing, people now say "If You Can Draw It, You Can Make It".

Farewell Message

A lot of our fun filled life has been spent within these Junior school walls. Now it's the moment in all our lives, when we leave our Junior school behind and step into the senior school world. Before I bid Good Bye, I want to share my feelings and attachment with this school with all of you.

Firstly, I am thankful to my parents for providing me an opportunity to study in such a wonderful Institution. It has given us ample of opportunities to keep growing, keep experimenting, keep participating and win certificates and accolades. Secondly, Thank you teachers, for all that you have taught me - lessons that extended well beyond the four walls of a classroom, for providing me with myriad opportunities for all round development and values in life.

Thirdly, thank you to all my dear friends; for all the fun, the hilarious laughter and the unforgettable moments shared with me. Fourthly, a big 'Thank you' to my Principal, she bestowed her trust by selecting me as the Santosh house captain and for always being the cornerstone in encouraging me whenever I represented my school in quiz competitions, sports activities and NCSC Congress. This school has been my second home, and it's really hard to talk about a journey of 8 years, full of memories in a short note. My first memory of school was fear, but never thought it would become so dear. Today it saddens me as I realize I will never be studying here again. But, we must say Goodbye to this school. Not only a good bye but also a big Thank you. Thank you & Good Bye.
